Calgary Muslim Ministry Prototype Airdrie Alliance Church Network

BACK GROUND

God has raised up two key missionaries, Wagdi Iskander and Andrew Brigham, who are both committed and called to effectively reach Muslims for Christ. AACN has agreed to embrace responsibility for overseeing and directing this project.

MISSION

The National Ministry Centre and the Western Canadian District are committed to seeing this Muslim Ministry in Calgary develop as a prototype for reaching, discipling and incorporating people of Muslim backgrounds into local Christian churches across Canada.

STRATEGY

AACN will partner with other Alliance Churches to assist Wagdi Iskander and Andrew Brigham in reaching, discipling and eventually incorporating people of Muslim backgrounds into a viable, reproducing, self-sustaining, multi-ethnic church.

PROJECT DETAILS

Description: The Muslim Ministries Prototype will engage in formal and non-formal inter-faith dialogue, in immigration related social programs, in one on one and small group discipleship and in developing one or more multi-ethnic "missional fellowship groups" that will seek to reach, incorporate and disciple believers.

Target Location(s)/Demographic: The highest concentration of Muslim people surrounding Airdrie live in Calgary. Consequently, we are focusing on developing a prototype ministry in NE Calgary with the hope of replicating it across Canada.

Project Status: The project has been operating informally for about two years and has recently been formally approved by AACN, the WCD and the NMC. These approvals enable the project to pursue needed church partnerships.

Timeline/dates: Support from partnering churches will be required for a minimum of three years. Eventually, we expect the NE Calgary Muslim ministry to become part of a viable, reproducing, self-sustaining, multi-ethnic church.

Partnership Opportunities:

All churches in Canada can participate by:

- Providing prayer and financial support for our two missionaries

In addition, Calgary area churches can participate by:

- Sending people to join the core multi-ethnic, missional group
- Providing facilities for various activities
